-----	---	---------------------------	---

Assembly Preparation

Unpack all hardware bags and components to ensure you have all parts. Take note of bolt hardware size differences and components that may have directional labels (Example: TOP or FRONT).

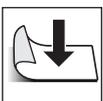

Read the assembly instructions, cover-to-cover. Save any **Care and Maintenance** instructions pages for after the assembly has been completed.

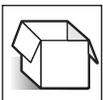

It is always recommended to have 2 adults on hand for assembly.

Do not assemble on hard, abrasive flooring or carpeted surfaces that can damage or get caught in the components during assembly.

Assemble on a clean non-marring surface (such as the product's packing foam).

Do not discard any packaging until the product has been fully assembled.

In case of missing parts, please contact your nearest World Market store or call our customer service call center at call 1-877-967-5362.

WARNING: Small parts are a choking hazard. Adult supervision is required before, during, and after assembly.

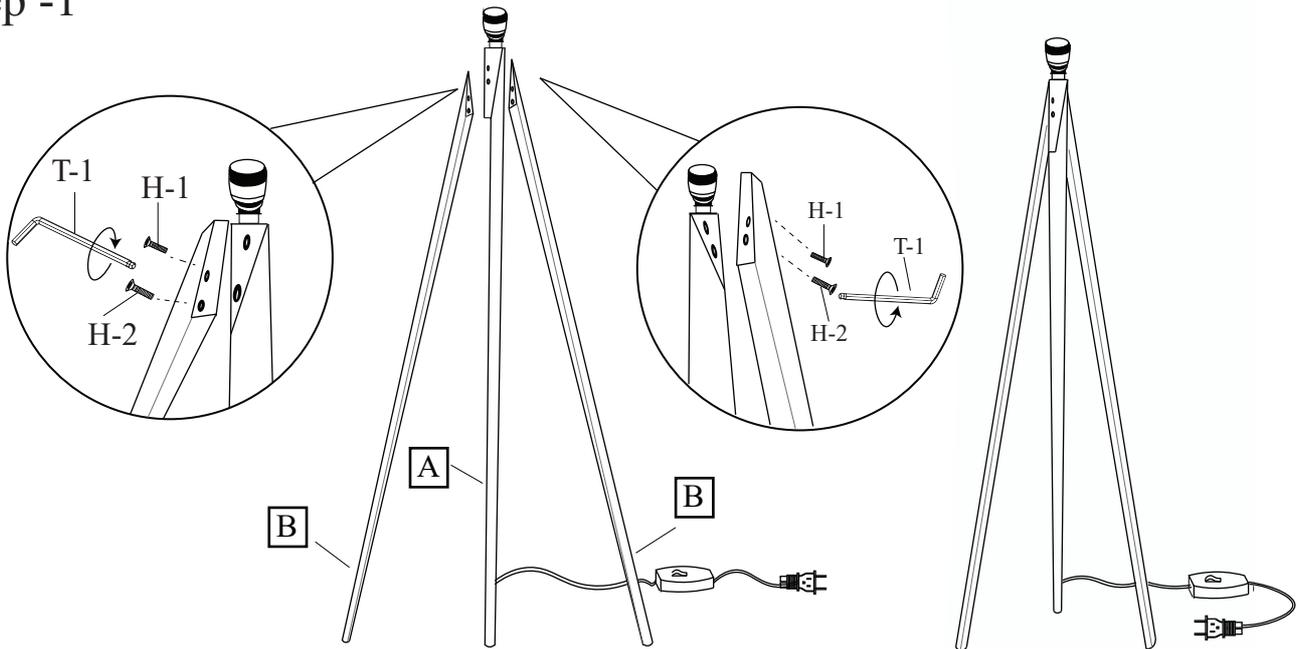

Assembly Steps

ELECTRICAL FITTING

Professional installation recommended.

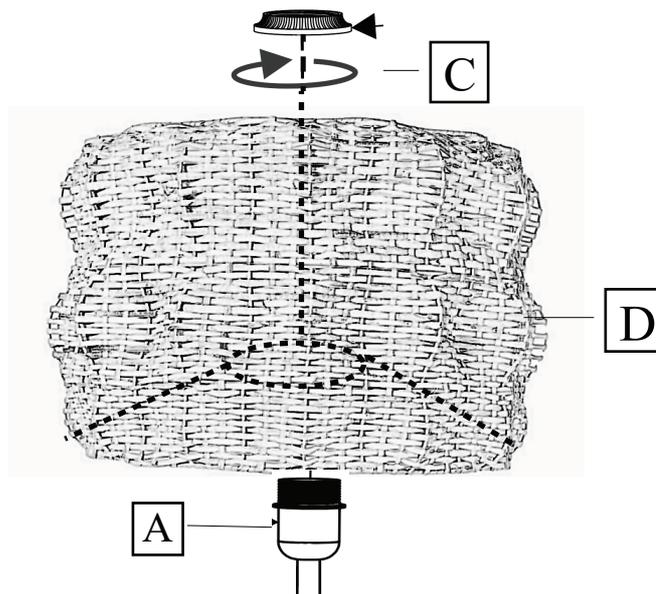

FOR YOUR SAFETY : Do not plug the unit in until completely installed and assembled.

Step -1

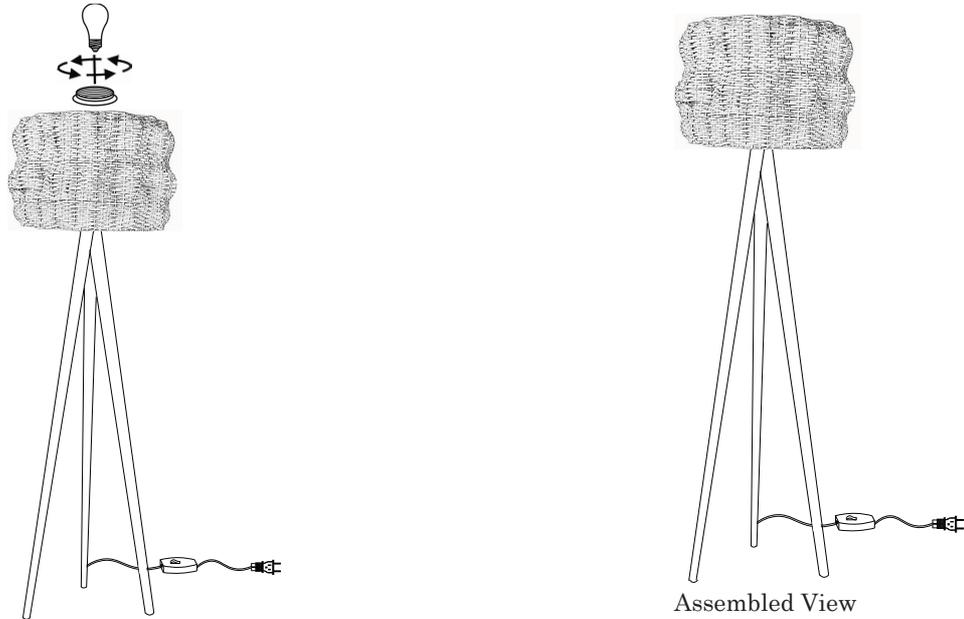

It is suggested to use a second person to assist you. Position Fixed Leg (A) and Detachable Base Legs (B) together as shown. Secure Detachable Base Legs (B) to Fixed Base Leg (A) with small Flat Head Allen Bolt (H-1) in the top holes, and large Flat Head Allen Bolt (H-2) in the bottom holes. Engage all bolts first, then fully tighten using the provided Allen Key (T-1). **DO NOT OVER TIGHTEN.**

Step -2

Remove Uno Ring (C) if it is pre-attached to light socket. Place Lamp Shade (D) onto the light socket on top of the assembly from Step 1. Secure by re-attaching Uno Ring (C) onto light socket. Tighten until snug. Remove any plastic wrapping on the Lamp Shade (D) before use.

Bulb Installation

Insert Bulb (E; not included) into the light socket and rotate it clockwise to secure. Plug in lamp to a near socket and check for proper lighting operation. Assembly is not complete and the product is ready for use.

Warnings

-  All products sold at World Market are not for commercial use and are intended for residential use only.
-  To prevent the risk of fire, **DO NOT** use light bulbs with wattage greater than (Vendor Supplied Bulb Recommendations) for this product. Bulbs sold separately.
-  Never turn on power to the lamp until light bulb has been installed and assembly is completed.
-  The recommended shade size for this lamp is 16' X 16' X 10' rise. If an alternate size is used, the measurement should be checked. As oversized shade may cause fixture to tip over.

Care & Maintenance

DO NOT clean furniture with harsh cleansers or polish.

DO NOT place fixture outside. For **INDOOR USE ONLY**.

Fixture can be dusted using a clean, non-colored, lint-free dry cloth.

NOTE: *If product has any reason to indicate handcrafted nature and detail within the design or finish, Please indicate that statement here and that any imperfections or variations are considered normal.
